Published bi-monthly

*Microform Subscriptions and Back Issues*

Back issues of all previously published volumes are available in the regular editions and on microfilm and microfiche. Current subscriptions are available on microfiche simultaneously with the paper edition and on microfilm on completion of the annual index at the end of the subscription year.

*Annual Subscription Rates 1981*

For libraries, university departments, government laboratories, industrial and other multiple reader institutions US \$125.00 per annum. Two-yr rate \$237.50 (including postage and insurance).

*Specially Reduced Rates to Individuals*

In the interests of maximizing the dissemination of the research results published in this important international journal we have established a two-tier price structure. Any individual whose institution takes out a library subscription, may purchase a second or additional subscriptions for their personal use at the much reduced rate of US \$45 per annum.

Subscription enquiries from customers in North America should be sent to: Pergamon Press Inc., Maxwell House, Fairview Park, Elmsford, NY 10523, U.S.A., and for the remainder of the World to Pergamon Press Ltd, Headington Hill Hall, Oxford OX3 0BW, England.
